Introduction

Affordable Occasions is a local business established in 2002, offering a friendly catering service. We cater for all types of functions, offering hot & cold buffets for all occasions. As our name suggests, we believe in providing affordable, quality catering tailored to suit your individual requirements. Have a look on our website for photos of our menus and customer comments.

We offer our services both in the immediate area and within a 20-mile radius of Bedford. However, special arrangements can be made to meet your needs.

Our Menu

The following menus can be used as a guide for planning your function. Please feel free to adapt our suggestions to suit your requirements, or let us customise a menu for you. We can work to your specific budget.

We provide a varied selection of menus, including vegetarian options. We pride ourselves in the quality of our ingredients, and the presentation of our food.

Delivery only buffets are served on disposable platters wrapped for freshness. Alternatively you may like us to stay to oversee the function and to cut and serve the celebration cake. We will also clear away afterwards, leaving you to enjoy your day.

Tea, coffee and desserts can be added to any menu at an extra cost stated in this booklet.

If you are not sure about any of the menus, or have any questions, please don't hesitate to contact us, either on telephone or email (information at the bottom of each page). We will be happy to arrange a house visit to help organise your function.
